EXPERIENCE

Cognizant, Chennai — Application Developer Intern

Feb 2023 - July 2023

Enhanced application development skills, with a focus on Swift and Xcode. Involved in full app development, including design, functionality, user experience.

Collaborated with a team of four to develop applications, gaining practical experience in application design, coding, and testing.

Gained valuable experience in Agile development practices, such as sprint planning, daily stand-ups, and iterative development.

Exposys DataLabs, Remote — Web Development Intern

Apr 2021 - May 2021

Built a strong foundation in web development through hands-on experience with HTML and CSS.

I leveraged my newly acquired skills to create a practical website project. This hands-on experience enabled me to apply HTML and CSS to design, develop and launch a functional website.
